THE BEST WAY TO GET HELP FAST: DISCORD (LIVE CHAT)

- ① The link is in the first lesson. After you download the program, click on my picture.

- ② Please watch the video from #read-first channel

MY ADVICE FOR A GREAT EXPERIENCE

- ✓ Please use the correct channel when you post
- ✓ Describe your problem in detail
- ✓ Help other people as best as you can
- ✗ Don't start private conversations with people
- ✗ Don't write in all caps, don't swear, don't talk in another language

ALTERNATIVE: Q&A ON UDEMY

The screenshot shows the UDEMY Q&A interface. At the top, there's a video player. Below it, a navigation bar includes 'Overview', 'Q&A' (highlighted), 'Notes', and 'Announcements'. A search bar is present with the text 'Search all course questions'. Below the search bar, there are filters: 'All lectures' (dropdown), 'Sort by most recent' (dropdown), and 'Filter questions' (dropdown). A red circle with the number '1' points to the 'Q&A' tab. A red circle with the number '2' points to the 'All lectures' dropdown. A red circle with the number '3' points to the 'Ask a new question' button. On the right side, there's a list of course topics with checkboxes and 'Resources' links.
